

DUAL CAREER SERVICES

We recognize that recruiting, retaining and promoting an excellent, diverse faculty may involve supporting working couples to find meaningful employment opportunities. To that end, we offer assistance to the spouses and partners of faculty who are moving to the University of Delaware. Although we cannot guarantee employment at UD or elsewhere, we will make every effort to help spouses and partners find employment. If you are a candidate for a faculty position at UD, requesting dual career assistance will not negatively impact your chances of receiving an offer.

WHO IS ELIGIBLE?

This protocol is primarily focused on Tenure Track and Continuing Track faculty who are being hired by the University or have been hired within the past two years. However, the University recognizes that non-faculty appointments are vital to its mission and will give full consideration to others as needed.

SERVICES PROVIDED

- ◆ Dual career identification and information about positions at UD
- ◆ Information about job openings with area employers
- ◆ Referral for informational interviewing both at UD and in the community
- ◆ Support and advice on resumes, cover letters and interviewing techniques
- ◆ Referral to specialty recruiting firms in areas of interest

GETTING STARTED

- ◆ Interested candidates should fill out an intake form: <http://www.udel.edu/0011433>. This communication will not go to the search committee or hiring department.
- ◆ Candidates will then have an initial discussion with a Talent Acquisition representative regarding the Dual Career Support Program.
