SGA Sponsors Annual Thanksgiving Food Drive

November 11, 2009--- The StUDent Government Association will be holding its annual Thanksgiving Food Drive this Thursday and Friday, November 19th and 20th, 2009. The event will be co-sponsored by EXCEL and Alpha Phi Omega. Collection will take place in two different locations to conveniently serve the entire community. Collection on Thursday, November 19, will take place in Perkins Student Center Gallery from 10:30 a.m. to 3:30 p.m., and collection on Friday, November 20, will occur in Trabant Multipurpose Room C and in the Perkins Student Center (Collins Room) between the hours of 10:30 a.m. and 3:30 p.m.

Students and community members are also encouraged to bring donations to the Maroon 5 concert, taking place in the Bob Carpenter Center on Monday, November 16, 2009. Collection bins will be spread throughout the venue for concert attendees to make donations. Band members of Maroon 5 support all donations made to the annual Thanksgiving Food Drive.

As in past food drives, SGA supports the participation of all RSOs and student groups. University departments and administrative offices will be continuing their tradition of participation as well.

Last year, the SGA Food Drive raised over 1,000 pounds of food for the Delaware Food Bank. Contributions will once again go to that organization, and any type of donation is appreciated.

For additional information or questions, please contact Jessica Ma, or SGA’s Secretary of Operations and Community Service Chair Lauren Pisarczyk (lpiszrcz@udel.edu).
