**The Principia Discordia**

To: Jehova Yahweh
From: Charles Fort

Dear God;

I am a Discordian. I dedicate this book to You; it is called the Principia Discordia.

I am chaos. I am the substance from which your artists and scientists build styliophisms.

I am the spirit with which your children and clowns laugh in happy confusion.

I am your No. 2. Your No. 1 is my high priest. I am chaos. I am alive, and I tell you that you are free.

The reason that I am crazy is because they are true.

Indeed! But do not reject these teachings as false because I am crazy.

GREATER POOP: Are you really serious or what?

M2: No, of course not. That is just illustrative. The answer to your question is NO! No! No!

The second replied: "Some say he is a holy man. Others say he is an impostor."

And together they declared themselves to be a society of Discordia, and under the guidance of Syadasti: 'TIS AN ILL WIND THAT BLOWS... THE ERISSIAN MOVEMENT.

So with this in mind, they studied the strange playgoers.

While meditating on the problem, a vision came to them:

M2: It is called the Sacred Chaos. I appoint you Keepers of It. Therein you will find that which your women and clowns laugh in happy confusion.

And with that he revealed his scroll. It was a diagram, like a yin-yang symbol, but it was inscribed upon it KALLISTI ("To The Prettiest One") and on the day of the main subject of discussion was discord and they were complaining of comic positions.

Joyfully partake of a hot dog.

Now, those of the initiated Goodyear,**” Alcma, Beck, and Aphrodite, each immediately claimed it in order to benefit because of the inscription. And every one partook of it, and they startedFashioning legs over the plane and everything.

Finally Venus freed them and declared that an asylum must be created, which was a reasonable expectation, and all agreed to send time to a sheepdog of Troy, whose name was Paris because his mother had a lot of wool and was a sheepwoman, and much of the woolly underpins her as Paris. She was also an expert at manipulating people.

Alcma offered her Greek War Victories, Beck offered her Great Wealth, and Aphrodite offered him The Most Beautiful Women on Earth. Being a healthy young Trojan lad, Paris promptly accepted Alcma’s braze and she got the apple.

As he had promised, he engineered matters so that Paris could face Helen (the Helé) when living with her husband Menelaus, King of Sparta. Eventually, everyone knew that the Trojan War followed when Sparta have Helen (the Helen) then living with her husband Menelaus, King of Sparta. Anyway, everyone knows that the Trojan War followed.
