

POSC 380/ LEST 380; Section 12 (2:00 pm):

Our assignment for Thursday February 14, and continuing next week on Tuesday February 19, and Thursday February 21, is to finish the material in Chapter 1 and then read Chapter 2 (pages 21 to 40 of the text). As I mentioned in class, you are **not** required to read any of the cases in the textbook except those that are expressly listed on the syllabus. Few are. Most of the assigned cases are in the online Casebook that I prepared for you. (There are no cases at all for this Thursday. Cases from the Casebook begin on Tuesday February 19 and continue on Thursday February 21.) Everyone should read the following five cases in the online Casebook: Sierra Club v. Morton; W-W Volkswagen v. Woodson; Carnival Cruise v. Shute; Erie RR v. Tompkins; and Wendelken v. Superior Court. Remember, just print out the cases that we are reading for the week — **not** the entire Casebook. The online Casebook is found at:

The assignments for case presentations on Tuesday February 19 are as follows:

Sierra Club v. Morton	Jan van Amerongen
W-W Volkswagen v. Woodson	Hailey Jester
Carnival Cruise v. Shute	Ryan Senall

The assignments for case presentations on Thursday February 21 are as follows:

Erie Railroad v. Tompkins	Lauren McGregor
Wendelken v. Superior Court	Nicholas Pindulic

There are plenty of other cases coming. Feel free to review the syllabus and if you find a case that you would particularly like to present in class, email me back with your pick. Those who are doing presentations should feel free to come by my office before class with any questions (or send your questions via email).

**Remember:** You always can find the syllabus, the online casebook, the case assignments, and other material for the course on the homepage for ACCT 350:
