## Education

B.A. Liberal Arts, International Christian University, 1987.

Gradudate Program in Linguistics, University of Wisconsin – Madison, 1989–1991.

Ph.D. Linguistics, University of Massachusetts at Amherst, 1997.

*Dissertation:* "Focusing Effects and NP Interpretations in VP Ellipsis".

*Committee:* Angelika Kratzer (chair), Barbara Partee, Hagit Borer, Irene Heim, and Chisato Kitagawa.

## Employment

Visiting Assistant Professor of linguistics, Cornell University, 1996–1997.

Visiting Lecturer of linguistics, University of California - San Diego, Fall 1997.

Project Researcher (BATIIa) for A7 'Logical Form and Interpretation System,' Sondersforschungberecht 340, Universität Tübingen, 1998.

Assistant Professor of Linguistics, University of Delaware, 1999–2005.

Associate Professor of Linguistics and Cognitive Science, University of Delaware, 2005–2016.

Professor of Linguistics and Cognitive Science, University of Delaware, 2016–Present.

Affiliated Professor, Asian Studies, University of Delaware, 2019–Present.

## Other Work Experience

Co-instructor for Introduction to Japanese Syntax and Semantics, (with John Whitman and Keiko Yoshida), LSA Summer Institute, Cornell University, Summer 1996

Visiting Scholar, Universität Tübingen, Summer 1999.

Visiting Professor, University of Venice, Italy, Winter 2005.

Visiting Professor, Universit"at Potsdam, Germany, Spring 2006.

Senior Research Fellow, City University of Hong Kong, Spring 2013.

Visiting Scholar, International Christian University, Summer 2014.

Invited Lecturer in Summer School of Linguistics, University of College London, Summer 2016.

# Presentations (2006 – Present)

## *Conferences*

### Plenary/Keynote Presentations

Intervention Effects Revisited, *Japanese and Korean Linguistics*, October 2019, Sogang University, Seoul, South Korea.

Intervention Effects: More Questions than Answers, *Approaches to Wh-intervention*, June 2019, National University of Singapore.

Hurford's Constraint, scalar implicature, contrastiveness and how they all come together, presented at *Mid-Atlantic Colloquium of Studies in Meaning 7*, Georgetown University, October 2017.

Purposeful questions in Japanese and Korean: A new embedding strategy, presented at *Workshop in Altaic Formal Linguistics 12*, Central Connecticut State University, CT, May 2016.

Remarks on argument ellipsis and related matters, presented at *Formal Approaches to Japanese Linguistics 7*, at International Christian University, Tokyo, June 2014.

Tense and aspect of Japanese root modals, presented at *Meeting of Linguistics Society of Japan 146 (Nihon Gengo Gakkai)*, Ibaraki University, June 2013.

Topics of contrast and Gricean reasoning, presented at *Japanese and Korean Linguistics Conference 21*, Seoul National University, Seoul, October 2011.

Contrastive topic as wide(st) scope focus, presented at *International Conference in East Asian Linguistics 2 (ICEAL 2)*, Simon Fraser University, November 2008.

Intervention effects in focus, presented at *Penn Linguistics Colloquium 32*, University of Pennsylvania, February 2008.

### Other Invited Conference Presentations

Purposeful questions: Agent-oriented embedded questions in Japanese and Korean, presented at *Workshop on Japanese Interrogatives*, National Institute of Japanese Language and Linguistics, Tachikawa, Japan, December 2015.

Japanese embedded questions as concealed questions: Floated quantifiers and QVE, presented at *Workshop on Japanese Interrogatives*, National Institute of Japanese Language and Linguistics, Tachikawa, Japan, June 2014.

Ellipsis with focused antecedent, presented at *Ellipsis Workshop*, Chinese University of Hong Kong, March 2013.

Embedded wa-phrases, predication, and judgment theory, presented at *Workshop on Inferential Mechanisms and their Linguistic Manifestations 8*, Kyoto University, Japan, June 2010.

On the topic marking in embedded contexts and the recursivity of information structure, presented at *Workshop on Root Phenomena*, Kanda University of Foreign Studies, Tokyo, June 2009.

Embedded Wh-phrases away from post-focal reduction: (Pilot) experiment report, with Masahiro Yamada and Sachie Kotani, presented at *Workshop on the Interface between Prosody and Information Structure 4*. Ogoto, Shiga, Japan, January 2009.

Contrastive topics and (anti-) Exhaustivity, presented at *Workshop on Prosody, Syntax and Information*, Indiana University, September 2008.

Contrastive Topics, presented at *International Conference of Information Structure (SFB 632)*, Universität Potsdam, Germany, July 2006.

LF intervention: Old and new challenges, presented at *Workshop on Current Issues in Semantics*, Kyoto University, Japan, July 2006.

### Refereed Conference Presentations

Morphosyntax determines embeddability of politeness markers in Japanese (with Keita Ishii), presented at *Recursion Workshop*, University of Bucharest and University of Massachusetts at Amherst.

The sustained anterior negativity and syntactic movement dependencies in Korean (with Jayeon Park and Jon Sprouce), presented at *Japanese and Korean Linguistics*, the University of Central Lancashire.

Bare quotatives as embedded speech acts (with Jooyoung Kim), *Linguistic Society of Japan Meeting*, Hitotsubashi University, June 2019.

Topics and conditional: They are similar but not quite the same, poster, to be presented at *Workshop on Altaic Formal Linguistics (WAFL)13*, MIT, October 2018.

Contrast, quantifiers, and embedded implicatures, *Linguistic Society of Japan Meeting*, University of Tokyo, June 2018.

Contrast, quantifiers, and embedded implicatures, poster, *West Coast Conference in Formal Linguistics*, UCLA, April 2018.

The scope of scalar items and embedded implicatures, presented at *Seoul International Conference in Generative Grammar*, Seoul National University, August 2017.

On reduced conditionals in Japanese: How topics and conditionals are similar but not quite the same, presented at *Theoretical East Asian Linguistics (TEAL) 11*, Academia Sinica, Taipei, Taiwan, June 2017.

Focus-prosody mismatch in *why*–questions in Japanese, presented at *Satellite Workshop on Prosody and Beyond in Altaic: Workshop on Altaic Formal Linguistics 12*, International Christian University, Tokyo, May 2017.

Maximality Mimics Exhastivity: Dake ?Only? in Japanese, poster presented at *GLOW in Asia XI*, National University of Singapore, Singapore, February 2017.

(Non)-exhaustivity of *dake* 'only', presented at *Linguistic Society of Japan Meeting 150*, Daito Bunka University, June 2015.

Semantic definedness and a focus-semantic constraint on ellipsis, presented at *Grasping Ellipsis*, University of Campinas, Brazil, May 2015.

Ellipsis with focused antecedents, presented at *GLOW in Asia X*, National Tsinghua University, Taiwan, May 2014.

Decomposing the *give*–type benefactives in Korean and Japanese, with Lan Kim, poster presentation at *Workshop in Altaic Formal Linguistics 9*, Cornell University.

Two types of unselected embedded questions in Japanese and Korean, with Jooyoung Kim, presented at *West Coast Conference in Formal Linguistics 31*, Arizona State University, February 2013.

Unselected embedded questions in Japanese and Korean, with Jooyoung Kim, presented at *GLOW-Asia 9*, Mie University, Japan, September 2012.

Focus matters in Neo-Hamblin Semantics, presented at *Workshop on Association with Focus: GLOW 35*, Universität Potsdam, April 2012.

Embedded *wa*-phrases, predication, and judgment theory, presented at *Workshop on Information Structure: GLOW 33*, University of Wroclaw.

On the recursivity of focus intonation in Japanese: Wh-foci in embedded contexts, with Masahiro Yamada and Sachie Kotani, presented at *Workshop on Information Structure: GLOW 33*, University of Wroclaw, April 2010.

Judging intervention effects, with Yoshihisa Kitagawa and Katsuo Tamaoka, presented at *Formal Approaches to Japanese Linguistics 5*, University of California at Santa Cruz, May 2010.

Prosodic realizations of the embedded wh-phrases, with Masahiro Yamada and Sachie Kotani, presented at *Formal Approaches to Japanese Linguistics 5*, University of California at Santa Cruz, May 2010.

On the prohibition of *wa*-phrases in relative clauses in Japanese, presented at *Pennsylvania Linguistic Colloquium 34*, March 2010.

Japanese embedded questions are nominal: Evidence from QVE, presented at *Workshop in Altaic Formal Linguistics 6*, Nagoya University, Japan, September 2009.

Japanese embedded questions as internally headed relative clauses: Evidence from QVE, presented at *Penn Linguistics Colloquium 33*, University of Pennsylvania, March 2009.

A scope theory of contrastive topics, presented at *Workshop on Contrastiveness and/or Scalar Implicature: CIL 18*, Korea University, Seoul, Korea.

*Why*-questions with(out) intervention effects: A presuppositional analysis, presented at *Theoretical East Asian Linguistics 4*, Hong Kong Polytechnic University, Hong Kong, December 2007.

## *Colloquium Presentations (from 2006)*

A New Embedding Strategy: Purposeful Questions in Japanese and Korean, Seoul National University, October 2019. Scalar implicature, Special Lecture Series, Seoul National University, October 2019.

Typology of Linguistic Meaning, Shanghai University of Science and Technology, July 2018.

Hurford's Constraint, scalar implicature, contrastiveness and how they all come together, presented at Tokyo Semantic Group Meeting, Keio University & at Ritsumeikan University, Kyoto, June 2018.

Scalar implicature, Special Lecture Series, at National Institute of Japanese Language and Linguistics, Tokyo, June 2018.

Topics and conditional: They are similar but not quite the same, presented at National Institute of Japanese Language and Linguistics, Tokyo, January 2018.

Purposeful questions: A new embedding strategy, presented at Georgetown University, February 2016.

(Non)-exhaustivity of *only*, presented at Harvard University, April 2015.

Japanese embedded questions as concealed questions: Floated quantifiers and QVE, presented at International Christian University, Tokyo, Japan, June 2014.

Conventionally implicated questions, presented at National Institute of Japanese Language and Linguistics, Tokyo, June 2013, and Massachusetts Institute of Technology, November 2013.

Focus matters in Neo-Hamlin Semantics, presented at City University of Hong Kong, December 2011.

Interpreting silence in Chinese: We need not be strict about sloppy readings, presented at City University of Hong Kong, December 2011.

Speech acts and scalar implicature, presented at City University of Hong Kong, December 2011.

Embedded topics: Where you find them, where you don't, and why, presented at Seoul National University, Seoul, Korea, October 2011.

Topics of contrasts and Gricean reasoning, University of Pennsylvania, March 2011, and at Universität Konstanz, June 2011.

Embedded topics, predication, and judgment theory, presented at University of Connecticut, October 2010.

Topics of contrast, presented at SURGE meeting, Rutgers University, April 2009.

Why-questions, presuppositions, and intervention effects, presented at Kanda University of Foreign Studies and at Hiroshima University, Japan, June 2008.

Hatsuwa-koui to Taishou-shudai (Speech acts and contrastive topics), presented at Nanzan University, Japan, June 2008.

Grammar of (Anti-)Exhaustivity, presented at University of Stony Brook, February 2007.

Contrastive Topics as Pressupositional Speech Act Modifiers (two talks) at Kyoto University, Japan, July 2006.

Plurality of indexicals: Empathetic second-person pronouns in Japanese, presented at Harvard University, April 2006 Zentrum fr Algemeine Sprachwisseschaft (ZAS) – Berlin, June 2006.

Inalienable Possession as Layered Event StructureÓ, with Chang-yong Sim, presented at Tromsø University, Norway, May 2006.

Bare NP pronouns are not so bare, presented at University of Toronto, February 2006.

## Other Research Activities

### *Grant*

*Wh–interrogatives at the prosody-syntax-pragmatics crossroad*, National Science Foundation Research Grant No. BCS-0650385 ($131,879), from July, 2007 - June 2012.

### *Other Research Projects*

Research member, *Grammar of Ellipsis*, supported by Japanese Society for Promotion Sciences (JSPS), Ayumi Ueyama (PI), Kyoto University and Kyushu University, Japan, 2000–2002.

Research member, *Prosody and Interpretation*, supported by Japanese Society for Promotion Sciences (JSPS), Haruo Kubozono (PI), Kobe University, Japan, 2005–2007.

Consultant, SSHRC Research Project, *Underspecification in Semantics*, Lisa Mathewson & Hotze Rullmann (PIs), University of British Columbia, 2005–2008.

Research member, *Pragmatic functions and syntax*, supported by Japanese Society for Promotion Sciences (JSPS), Nobuko Hasegawa (PI), Kanda University of Foreign Studies, Japan, 2007–2009.

Research member, *History of Japanese interrogatives*, supported by National Institute of Japanese Language and Linguistics (NINJAL), Satoshi Kinsui (PI), Osaka University. 2014–2016.
