PROFESSIONAL SUMMARY

- Dynamic and results-driven doctoral student and sustainability executive with over 10 years of expertise in driving transformative sustainability initiatives. Renowned for spearheading regulatory compliance programs, advancing energy transition and decarbonization efforts, and optimizing carbon market opportunities. Demonstrated success in compliance monitoring and assisting manufacturing companies to track carbon emissions and achieve regulatory compliance. Adept at leveraging data analytics and research to shape policy decisions and enhance operational efficiencies, positioning organizations at the forefront of sustainable development.

EDUCATION

- **Ph.D. Energy and Environmental Policy** | University of Delaware, USA | **July 2026 (In-View)**.
- **Master of Public Administration (MPA)** | National University of Singapore, Singapore | **June 2021**.
- **Postgraduate Diploma, Environmental Management** | Technical University Dresden, Germany | **July 2020**.
- **Master of Science, Environmental Microbiology** | University of Ibadan, Nigeria | **Apr. 2015**.
- **Bachelor of Science, Microbiology** | Obafemi Awolowo University, Nigeria | **Jan. 2011**.

SKILLS

- Strategic Energy Policy Development | Advanced Environmental Policy | Data Analytics with Python | Machine Learning Applications in Sustainability | Comprehensive Environmental Impact Assessment | Environmental Monitoring and Compliance | Proficient in Microsoft Office Suite (Word, PowerPoint) | Advanced Quantitative and Qualitative Analysis | GIS | Expert Policy Analysis | Technical Report Writing | Executive Leadership | Advanced Project Management

PROFESSIONAL EXPERIENCE

National Environmental Standards and Regulations Enforcement Agency (NESREA), Nigeria.

Principal Scientific Officer | NESREA Southwest Zonal Hqrs., Ibadan, Oyo State, Nigeria | **Jan. 2023 – Present**.

- Designed and implemented strategic environmental compliance frameworks, resulting in operational efficiency and a 20% increase in regulatory compliance rates among regulated entities.
- Facilitated cross-functional teams to streamline processes, enhancing organizational responsiveness to environmental violations and reducing response times by 35%.

Senior Scientific Officer | NESREA Southwest Zonal Hqrs., Ibadan, Oyo State, Nigeria | **Jan. 2020 – Dec. 2022**.

- Led interdisciplinary teams in the comprehensive monitoring and analysis of carbon emissions across three states, achieving a 15% reduction in reported emissions through targeted compliance strategies.
- Coordinated with local and national stakeholders to align local environmental policies with global standards, enhancing regulatory compliance and environmental stewardship.

Scientific Officer I | NESREA Southwest Zonal Hqrs., Ibadan, Oyo State, Nigeria | **Jan. 2017 – Dec. 2019**.

- Guided companies and accredited consultants during environmental impact assessment processes, reducing review times by 40% and ensuring sustainable development practices within the manufacturing sector.
- Designed and facilitated training programs for over 500 industry professionals, improving their knowledge and adherence to national environmental regulations.

Scientific Officer II | NESREA, Ekiti State Field Office, Ado-Ekiti, Ekiti State, Nigeria | **July 2013 – Dec. 2016**.

- Pioneered awareness initiatives promoting clean energy, resource optimization, and climate action, resulting in a 30% increase in the adoption of sustainable practices across the region.
- Successfully managed environmental compliance audits for numerous multinational companies, facilitating their adherence to stringent environmental regulations.

LEADERSHIP EXPERIENCE

Sustainability Lead and Co-founder, Wastesmart Foundation, Ibadan, Nigeria | **Sep. 2017 – Apr. 2021**.

- Cultivated strategic partnerships and secured funding that amplified the foundation's reach, increasing public engagement by 50%.
- Developed and executed community outreach programs that educated over 10,000 participants on

environmental conservation, significantly boosting local participation in sustainability efforts.

RESEARCH EXPERIENCE

- **Graduate Research Assistant** | NSF-funded Sustainable Manufacturing Project, University of Delaware, Delaware | **Aug. 2022 - Present.**
- **Graduate Researcher** | Governance Study Project, National University of Singapore, Singapore | **Jan. - June 2021.**
- **Graduate Intern** | Environmental Microbiology and Biotechnology Lab., University of Ibadan, Nigeria | **Dec. 2014 – Apr. 2015.**

TEACHING EXPERIENCE

- **Chemistry Instructor** | CINAC Royal College, LASU-Iba Road, Ojo, Lagos, Nigeria | **Aug. 2012 - Feb. 2013.**
