

How to log in to complete the revision module or retake the math placement assessment

1. Go to <https://www.udel.edu/mathplacement>
2. Log in using your UD credentials.
3. To complete the revision module, click on your class name. Please note your class name will be different from what you see below but will be located in your active classes.

4. Click on GET STARTED

5. You will need to spend a certain amount of time in the revision module. You can keep track of the time remaining as indicated below.
