

<b>Job Title:</b>	<b>Outdoor Pool Manager</b>		
<b>Department:</b>	<b>Delaware Athletics, Community &amp; Campus Recreation</b>	<b>Salary:</b>	<b>\$20-\$30/hour based on experience</b>
<b>Location:</b>	<b>Outdoor Pool</b>	<b>Supervisor:</b>	<b>Tim Groth, Aquatics/Safety Mgr</b>

**Job Description**

Under the direction of the Aquatics & Safety Manager, DACCR, or other designated Facility Administrators, the Outdoor Pool Manager is primarily responsible for maintaining a safe environment through proper facility and patron management and Lifeguard staff oversight. The Outdoor Pool Manager works an average of 40 hours per week during the Outdoor Pool season (late May through early September). Interested applicants should email a resume to Tim Groth, [tgroth@udel.edu](mailto:tgroth@udel.edu).

**Essential Duties and Responsibilities**

- Oversight of all Outdoor Pool daily facility operations, including but not limited to:
  - Opening and closing the pool facility following established procedures.
  - Check the pool and deck for any potential hazards. Be aware of, and promptly correct, safety concerns.
  - Set up membership check-in and guest pass equipment daily.
  - Address and correct any patron or staff concerns during operational hours; enforce all pool rules and regulations.
- Provide supervision and leadership to Lifeguard staff.
- Manage events and programs taking place in the Outdoor Pool facility.
- Document with detail any injuries or incidents.
- Take hourly chemical readings of the Outdoor Pool.
- Communicate with administrative staff and Lifeguards in order to create a cohesive and collaborative team.
- Communicate any questions, concerns, or recurring patron issues to the Aquatics & Safety Manager as necessary.

**Required Qualifications**

- Certified Pool Operator (CPO), or ability to obtain.
- Adult & Pediatric CPR/AED/First Aid certification, or ability to obtain.
- Experience leading and managing groups of employees or students.
- Demonstrated customer service experience with diverse populations.
- Must have a positive attitude, flexibility, dependability, and commitment to teamwork.
- Ability to communicate professionally with participants, coworkers, and supervisors.

**Preferred Qualifications**

- Prior work experience as a lifeguard, head lifeguard, or pool manager.
- American Red Cross Lifeguarding with CPR for the Professional Rescuers certification - preferred, but not required
