Sustainability Statement

NIIMBL is committed to environmental responsibility and reducing waste at the National Meeting. Name badges are made from recycled materials. The program is included within the journal to reduce paper. In addition, the Capital Hilton prioritizes achieving higher levels of sustainability and reducing waste through various recycling programs and the redistribution of perishable food items.

Capital Hilton Floor Plan

National Meeting App

Download the “Cvent Events” app from your mobile device’s App Store. After opening the app, search for the 2024 NIIMBL National Meeting and download the event. Sign in with the email address you used to register for the meeting.

If you installed the “Cvent Events” app for a past event, we recommend uninstalling and reinstalling the app. This will give you access to the app’s current features.

Charging Stations

Laptop and phone charging stations are located in the Statler room.

Pop-up Meeting Rooms

The California, Massachusetts, Michigan, and New York boardrooms are available for pop-up meetings all day Tuesday through Thursday. Pan American will be used as our meeting overflow room. Rooms are available on a first-come, first-served basis. Be mindful of your time in the boardrooms to allow other attendees to use the space. For general work, use the Statler Room.

Note: The Michigan and Pan American boardrooms will be closed on Thursday morning for private meetings.
