Involvement Fair Rules

Food Policy

Delaware State Law prohibits providing any prepared food at the Involvement Fair. Pre-packaged snacks and candy (like mini-candy bars, mints, and gum) are allowed, but these items must remain individually wrapped. Pre-packaged foods cannot be opened and modified in any manner (e.g., opening sealed bread and peanut butter to create sandwiches).

1. Flyers and other handouts for your organization may only be distributed at your table; you may not walk around the event handing out information.
2. To protect from overcrowding, you must always remain behind your table - no standing in front of table.
3. Groups are limited to two members per table at one time. You can rotate who runs the table.
4. There will be no access to electrical outlets. Even if you have an outlet near you, nothing may be plugged in. Only battery-powered devices are permitted.
5. Be considerate of noise levels and respect your neighbors-this includes singing, playing music or videos loudly, using bullhorns, etc.
6. Discard all your garbage at the end of the event; do not leave any garbage at your table. Any groups found to leave behind trash or waste will be prohibited from future Involvement Fairs.
7. Comply with any requests made by University Student Centers' staff.
