He is nice and will be a great instructor in the future. However, I faced some difficulties in understanding what he explained.

I don't have any comment just thanks

Knows his stuff and has reasonable expectations for students.

Always focused more on learning which I liked most

Tong is very good with algorithms and provided better in class learning experience with his teaching techniques.

We need more real world problems in the lectures other than that everything is great.

Instructor covered many useful and interesting contents.

The professor has good subject knowledge

NA

Really good and helpful

Excellent professor

Liked your approach in class but could help students outside of class when a student is a bit lost in the subject.

Professor with excellent command of the subject

Very informative and interactive class. I learnt a lot from this course.

GOOD

Instructor has good knowledge on the course material

professor Amo Tong demonstrated a deep understanding of the subject matter and was able to convey complex ideas in a clear and engaging manner. Also he was approachable and willing to help us outside of class.
