Wonderful class! I really enjoyed it and everything was well taught!

This was by far my favorite class of the semester. I never struggled with any topics in class because the teacher was always well prepared and clearly knew what she was teaching.

Professor Chen has been amazing.

Everything was graded and handed back quickly which was very helpful!

I really appreciated the prompt grading, clear expectations, and teaching style. The guided notes were always available immediately on canvas, as well as solutions to the problems. This was extremely helpful to my understanding of the course content.

One of the best math classes I have taken at UD. Professor had a perfect structure for class. Information was taught at a good pace with assignments perfectly distributed.
