

PAR 3 CHALLENGE RESULTS

The Par 3 Challenge was a great success with over 60 participants coming out! All 18 holes were converted to par 3's with some very challenging pin placements! Kyle Reap (left) had a fantastic day by shooting a very impressive 2-over par 56 on the difficult layout.

15-year-old Max Lewenthal enjoyed the day's only hole-in-

one on the makeshift par 3 third hole. Playing 111 yards over the water, Max knocked in a perfect shot! Max is pictured on the right (middle) with his playing partners Andrew Terhune (l) and his Dad, Alan (r). Way to go Max!
